This is to certify that « DEL SHIPPING & TRADING » has been our agent in South Africa during our call from 10 November 2010 to 10 January 2011 in Cape Town.

We have been very pleased and satisfied with the services and attendance of Del Shipping , and I can truly recommend this agent to any yacht visiting South Africa.

Reliability, availability, very affordable with straight forward accounts, and very nice people to look after us with great professionalism.

Cape Town, 10 January 2011,

Bernard Coiron,
Captain S/Y Obsession II.
